January 2023

2023 Knights of Columbus Smoker **Free Throw Competition**

The annual KC Smoker is only a few weeks away. On Sunday, January 15th all of your fellow Brother Knights will gather at the Evansville KC Hall for delicious food, copious amounts of cards, and fantastic company. This year's Smoker is a little different than previous years. We will be having a Member Appreciation day as well! All food and drinks, yes drinks as well, are free in appreciation of all the hard work our members do for every event and in the background that nobody sees. Please feel free to bring a friend that may be interested in joining the Knights as we can sign them up with their first year being completely FREE! Don't forget our older members and offer a ride down so our entire Council can join in the fun. The festivities will begin around noon and last until the final Brother calls it a night. You can also drop by and pay your dues to FS Rob Walls.

The local Knights of Columbus Councils will be hosting the annual KC Free Throw Contest on January 22nd at Noon in the school gym behind St. Boniface

Church in Evansville. All kids ages 9 to 14 are eligible to participate. You will be required to fill out an entry form with a parent or guardian's signature. Entry forms can be completed day of the event or online at <https://www.evansvillekc.org/free-throw>. Proof of age will be required as well. Participants will compete against others of similar age. Those that win their age bracket will be given the opportunity to participate in the District Finals. There is no cost to this event so please come out and enjoy a fun Sunday afternoon shooting hoops with the Knights!

KC Hall Roof Donations - Thank you all!

A few months ago we reached out with requests for donations to fix the roof on our Hall. The last quote we received to fix it properly was for \$49,000 which was a hefty sum. I am very happy to say that response to this call was enormous. If anyone would like to donate to the cause, please reach out to any of the members listed on the back of the newsletter or drop by the Hall and see Mark.

Help us assist children in Sparta school district Autism room

This past August, the Sparta School District created a room designated for students with Autism. Studies have shown that children with autism learn better hands on, whether in play, using and increasing gross motor skills, or with creative activities to improve fine motor skills. They have received a starter grant from Angel for Autism to help but they are still very underfunded. If you would like to help out there are two ways in which you can. You can visit their Amazon registry under Sparta Lincoln Sensory Room at <https://tinyurl.com/spartaautism> or through a monetary donation sent to Sparta Lincoln school with the memo "Sensory Room" at the following address: **203 Dean Ave, Sparta, IL 62286**. Thank you everyone who already donated. You are helping our community!
