Reflection on the twentieth anniversary of September 11, 2001

Two steel girders from the World Trade Center, set in concrete blocks, adorn one hallway of the Knights of Columbus Museum in New Haven, Conn. Distorted from the intense heat and retrieved from the landfill in New York, the brown girders look like a piece of modernist sculpture, the metal waving as if caught in an upward gust of wind.

Nearby, a golden plaque lists the names of the 45 Knights killed in the attacks: 11 firefighters, six policemen, and 28 civilians, including one member who was a passenger on American Airlines Flight 11, the first plane that hit the Twin Towers. To be sure, September 11, 2001, was not a K of C tragedy or even a New York tragedy — it was an American tragedy, one that brought out some of the best that U.S. citizens had to offer. Knights were among those who did their part, actively embodying the Order's principles of charity and patriotism. We remember that day, twenty years ago, that changed our world. Just as the Knights have been doing since Blessed Michael J. McGivney founded us in 1882, we were there in prayer, support, and service. Charity is our number one focus; our order may change, the rituals, regalia we wear, the way we conduct business...our precept remains firmly in place. As we remember all of the heroes who lost their lives on 9/11 and those who suffered (and continue to suffer), we pray that we never experience such a day again. As Knights, we are vigilant, standing at our post, ready to respond when the call to serve is heard.

KNIGHTS OF COLUMBUS
TOOTSIE ROLL DRIVE

Coming up on September 10th you will see us in the town squares handing out Tootsie Rolls! The Intellectual Disabilities or "Tootsie Roll" Fund Drive is one of the most recognizable activities that the Knights of Columbus participate in each year. Funds generated from this drive support local programs helping people with special learning needs. We will start at 3:00 p.m. all around Randolph County. Please come through to donate and hope to see you there.

The Illinois Vocations Support Program is in full swing again. Councils all throughout Illinois are selling the booklets that you received with your newsletter. Similar to last year, there is over \$20,000 in cash prizes for the winners of the drawing. A huge bonus is that your Home Council is allowed to keep \$9 of every book sold to assist in continuing God's good work in our local communities. The money brought in from this program helps our future priests here in Illinois by sending them birthday, Christmas, and Ordination gifts to help guide them on their way toward the Priesthood.

You may drop off your tickets at the Council Hall, give them to David Young, GK Larry Mudd, Mark McConachie or mail them to: Knights of Columbus, PO Box 274, Evansville, Illinois 62242.

Additional tickets are available at the KC Hall or contact those listed above with the contact information listed on the back of the newsletter.

Thoughts and Prayers

Please continue to keep the Kiefer, Young, and Blow families in your prayers as well as anyone in need or distress. If you have any special intentions you would like added, please call Robert Walls at the number listed to the left.
